**Re: Brownfields Funding Application for the City of Henderson Former Police  
Department Firing Range, Henderson, Nevada**

Dear Ms. Pohlmann,

The Nevada Division of Environmental Protection has received your application for funding under the State's Brownfields Program. We have reviewed the application and attached information, and we have discussed the project with our US Environmental Protection Agency grant officer. We are happy to announce that the project has been approved for funding.

I would like to set up an initial scoping meeting sometime during the last week in April. Please let me know what your schedule would allow.

If you have any questions, please feel free to contact me at (775) 687-9384.

Sincerely,
